The screenshot shows the FedEx Tracking page for a package with tracking ID 775062204382. The delivery status is 'Delay Delivery' with a warning icon. The tracking history shows the package was received by FedEx, in transit, out for delivery, and then returned to the logistics center due to an 'INCORRECT ADDRESS, DELAYED DELIVERY' on 12/17/2022 at 19:8. A 'Verify Billing Address' form is highlighted with a red box, containing fields for Full name, Street Address 1, Street Address 2 (OPT), City, Select State, and ZIP Code™ (OPT).

The screenshot shows the FedEx Tracking page for the same package with tracking ID 775062204382. The delivery status is 'Delivered' with a green checkmark icon. The tracking history shows the package was received by FedEx, in transit, out for delivery, and then delivered to 'KOWLOON BAY, HK' on 11/5/2021 at 11:37 AM. The 'Shipment facts' section includes a 'Shipment overview' table with the following data:

Field	Value
TRACKING NUMBER	775062204382
SHIP DATE	10/29/21
ACTUAL DELIVERY	11/5/21 at 11:37 am
